

# THE INDUSTRY'S GROWING NEED FOR TALENT **IMPACTS US ALL.**

The Risk & Insurance Education Alliance's Emerging Talent Program offers a sustainable talent solution, providing high school and university students technical training, industry immersion, and the opportunity to earn nationally recognized designations BEFORE they graduate. Industry partnerships make these talent initiatives possible!

## How Can **YOU** Support Students?

### Connect Us with Schools Near You!

The CISR High School Program is flexible by design and helps students gain a significant advantage as they enter the workforce. Local industry partners bolster student success through volunteer speakers, job shadows, and work-based learning opportunities.

### Fund the Future!

Emerging Talent Partners enjoy year-round benefits and allow us to sustain and grow our programs. Funding supports high school licenses, free digital textbooks, scholarships, industry immersion like Virtual Career Connections and the new Virtual Academy, and SO much more!
